

Message from our Leadership

The mission of theVillage is to promote the healing of the spirits of children, families and communities broken by trauma including violence, neglect, addiction, poverty, mental illness, racism and other serious societal problems.

On behalf of the Board, staff, and volunteers of theVillage, we are pleased to share the results of the organization's 2017 fiscal year in this annual report. In these pages, you will find the financial data as well as listings of our volunteer leadership and, most importantly, recognition of our generous donors and supporters. Please note that the information provided herein - including the recognition of our generous donors and financial performance - covers the period from **July 1, 2016 to June 30, 2017**.

Should you need any additional information about your financial contributions, please contact our Development Office at (610) 519-1605.

We will continue to share stories of success related to the children and families in our programs with you throughout the year in our ongoing print and e-newsletters. If you are not already on our email mailing list, you can sign up at www.Village1877.org. We also encourage you to visit our website for more information on our programs, outcomes, and our leadership team.

TheVillage is fortunate to have the support of so many people like you across our diverse community. The work of our dedicated and passionate staff is made possible, in great part, thanks to this tremendous commitment.

We thank you for all you do and for your continued support.

Sincerely,

Paul Bergsteinsson

Chair, theVillage Board of Directors
